State Fire Marshal

Article 10.—Installation and Certification Standards for Extinguishing Devices

22-10-2. Applicability.

(a) These regulations shall apply to:

(1) any business that services, charges, recharges, installs or inspects portable fire extinguishers;

(2) any business that is manufacturer-authorized to service, charge, recharge, install or inspect fixed extinguishing systems;

(3) any business that is not manufacturer-authorized but is state-certified to service, recharge and inspect fixed extinguishing systems;

(4) any business that conducts hydrostatic testing of portable fire extinguisher or fixed extinguishing system cylinders or containers;

(5) any combination of (1), (2), (3) or (4); or

(6) any business that has employees who service, recharge or inspect only the portable fire extinguishers owned and used exclusively by the business.

(b) These regulations shall not apply to:

(1) any manufacturer who charges a portable fire extinguisher or fixed extinguishing system cylinder or container prior to its initial sale;

(2) any business engaged in the sale of approved portable fire extinguishers but not engaged in the servicing, charging, recharging, installing or inspecting of portable fire extinguishers; or

(3) any person or authorized agent of a person who installs a portable fire extinguisher for protection of that person's own property or business.
