

Kansas Administrative Regulations

Department of Health and Environment

Article 9.—Construction, Maintenance and Use of Mausoleums

28-9-6. Individual mausoleums; approval of plans, specifications and testing of materials.

In the case of individual mausoleums, the permits issued by the department shall be a license to manufacture. Any deviations from the approved plans and specifications must be approved in writing by the engineer for the department. Inspections will be made of the manufacturing processes and of field installations with special attention being given to all factors which affect the permanence of the structures. When necessary to determine the permanence, all or any part of one or more mausoleums, or test specimens from the mixes used, shall be delivered to a laboratory for testing. The transportation and testing shall be an expense of the manufacturer and shall be done as directed by the engineer for the department. Permanent identification of the manufacturer shall be stamped in an accessible place on the cover and the vault along with the date of manufacture. Such other records shall be kept as are found necessary by the department.

(Authorized by K.S.A. 17-1324; effective Jan. 1, 1966.)
