Article 9.—Hours; Leaves; Employee-Management Relations

1-9-14. Transfer of leave credits.

When an employee is appointed to a position in a different state agency, all types of leave for which the employee has a balance at the time of the appointment, except for compensatory time credits and holiday compensatory time credits, shall be transferred with the employee. All accumulated compensatory time and holiday compensatory time shall be paid by the agency from which the employee is leaving at the time the employee leaves that agency. The accumulated compensatory time and holiday compensatory time shall be paid as a lump sum addition to the employee's last paycheck from that agency as provided in K.A.R. 1-9-13. However, upon request, an employee may transfer accumulated compensatory time and holiday compensatory time if approved by both the agency from which the employee is leaving and the agency to which the employee is going. This regulation shall be effective on and after June 5, 2005.
