Kansas Administrative Regulations

Department of Health and Environment

Article 4.—Maternal and Child Health—Newborn Infant Hearing Screening Act.

28-4-605. Reporting to the department.

Each manager or coordinator of the hearing screening program at each medical care facility shall report to the department the following:

(a) The program's protocol, policies, types of equipment, and personnel, which shall be reported annually;

(b) any changes in protocol, policies, and types of equipment, which shall be reported within 30 days of the change;

(c) the data for each newborn and infant, which shall be reported within seven days after the hearing screening;

(d) all cumulative data, which shall be reported annually; and

(e) the qualifications and training of the hearing screening administrative and support personnel, as defined in K.A.R. 28-4-608, which shall be reported annually.

(Authorized by and implementing K.S.A. 65-1,157a; effective July 2, 2004.)
