

Kansas Administrative Regulations

Department of Health and Environment

Article 4.—Maternal and Child Health

28-4-521. Reporting notifiable conditions.

The requirements for reporting notifiable conditions shall be those specified in the department's "Kansas birth defects surveillance reporting manual," dated April 18, 2022, which is hereby adopted by reference.

(Authorized by K.S.A. 65-1,245; implementing K.S.A. 65-1,241, 65-1,244, and 65-1,245; effective Dec. 3, 2010; amended Oct. 7, 2022.)
