

Kansas Administrative Regulations

Department of Health and Environment

Article 74.—Risk Management Program

28-74-2. Application.

(a) Each prospective participant shall submit a completed application to the secretary on a form provided by the department. Each application shall include the following information:

(1) A map identifying the location of the site and the area within the site to which the risk management plan applies;

(2) a map identifying all parcels within the site to which the risk management plan applies, including ownership of each parcel;

(3) documentation that the applicant provided written notification to all property owners and occupants within the site to which the risk management plan applies and proof that those property owners and occupants received the notification; and

(4) a draft risk management plan for review and consideration for approval.

(b) If an application is determined to be incomplete by the secretary, written notification shall be provided to the applicant, identifying the documentation, data, or other information that is needed to complete the application. The applicant may then submit the required information or withdraw the application. The application shall be considered void if a complete response has not been received from the applicant within 60 calendar days from the date of the written request for additional information from the department.

(Authorized by and implementing K.S.A. 2015 Supp. 65-34,176; effective May 13, 2016.)
