Kansas Department for Children and Families

Article 22.—Licensing of Psychiatric Hospitals; Funding of Community Mental Health Centers and Facilities for the Mentally Retarded and Facilities for Handicapped Persons

30-22-3b. Private psychiatric hospitals; additional program standards.

Each hospital shall: (a) Formulate and specify its goals and objectives and describe its programs (including volunteer services, if any) in a written plan for professional services. The plan shall be written in such a manner that the hospital's performance can be measured;

(b) have a written statement of goals and objectives for each program and each patient population served;

(c) conduct a utilization review program;

(d) exhibit evidence of a well-defined, organized program designed to enhance patient care through ongoing, objective assessment of important aspects of patient care and correction of identified problems; and

(e) if conducting research with human subjects, have written policies which assure that a rigorous review is conducted with regard to the merits of each research project and the potential effects of the research procedures on the participants.

(Authorized by and implementing K.S.A. 75-3307b; effective May 1, 1985.)
