

Kansas Administrative Regulations

Kansas Department of Agriculture—Division of Water Resources

Article 3.—Appropriation Rights

5-3-5j. Maintenance of a water conservation plan.

Once implemented, the applicant shall continue to satisfactorily maintain each component of the water conservation plan.

(Authorized by K.S.A. 82a-706a; implementing K.S.A. 82a-733; effective Sept. 22, 2000.)
