

Kansas Administrative Regulations

Kansas State Board of Cosmetology

Article 12.—Tanning Facilities

69-12-10. Exposure schedule.

(a) The recommended exposure schedule for each tanning device shall be displayed in a conspicuous place near the device.

(b) The tanning device operator shall ensure that consumers do not exceed the tan time indicated by the manufacturer.

(Authorized by K.S.A. 65-1925; implementing K.S.A. 65-1924; effective Dec. 13, 1993.)
