

Kansas Administrative Regulations

Kansas Department of Agriculture

Article 34.—Industrial Hemp

4-34-12. Fees.

(a) The application fee shall be \$200 for each license sought, with the exception of state educational institution licenses and administrative licenses, for which no application fee shall be charged.

(b) Upon conditional approval of a research grower license, each individual wanting to be the primary licensee shall pay a license fee of \$1,000.

(c) Upon conditional approval of a research distributor license, each individual wanting to be the primary licensee shall pay a license fee of \$2,000 for each licensed research section approved by the department.

(d)(1) Upon conditional approval of a research processor license for processing fiber or grain, each individual wanting to be the primary licensee shall pay a license fee of \$3,000 for each processing facility in a licensed research section and for each mobile processing facility.

(2) Upon conditional approval of a research processor license for processing floral material, each individual wanting to be the primary licensee shall pay a license fee of \$6,000 for each processing facility in a licensed research section and for each mobile processing facility.

(e) Each license fee shall include the cost for the department's initial sample collection and initial laboratory test. Each primary licensee shall pay a subsequent sampling fee of \$45 per hour, plus transportation time and mileage for representatives of the department, for each of the following:

(1) The department collects a subsequent sample.

(2) The primary licensee requests that the department collect a subsequent pre-harvest sample.

(3) The primary licensee requests that the department collect a subsequent post-harvest sample.

(4) More than one harvest occurs in the same research area in a license year.

(f) Each primary licensee shall pay a testing fee of \$250 for every laboratory test determining the delta-9 tetrahydrocannabinol concentration for each of the following:

(1) The department collects a subsequent sample.

(2) The primary licensee requests that the department collect a subsequent pre-harvest sample.

(3) The primary licensee requests that the department collect a subsequent post-harvest sample.

(4) The department collects more than one sample because more than one harvest occurs in the same research area in a license year.

(g) Each primary licensee shall pay a modification fee of \$750 for each requested change to a license that was previously issued by the department.

(Authorized by K.S.A. 2018 Supp. 2-3902; implementing K.S.A. 2018 Supp. 2-3902 and 2-3903; effective Feb. 8, 2019.)
