

Kansas Administrative Regulations

Kansas Department of Agriculture

Article 10.—Anhydrous Ammonia

4-10-1b. Reportable events.

The owner or operator of each anhydrous ammonia storage facility or any equipment shall report, to the secretary or the secretary's authorized representative, each accidental or unauthorized release of 100 pounds or more of anhydrous ammonia within 48 hours after the release. Nothing in this regulation shall require the reporting of an intentional release of anhydrous ammonia into the soil during the normal course of application.

(Authorized by and implementing K.S.A. 2-1212; effective March 12, 2010.)
