Article 64.—Developmental Disabilities—Community Developmental Disability Organizations (CDDO's)

30-64-30. Statewide service access list.

Each contracting CDDO shall ensure that each person who has applied for services, been determined eligible for services, and agreed to accept services within the next year following the date of the person's application, but who cannot now be provided those services by either the CDDO, or any affiliate, because the maximum number of persons to be served as established in the contract with the secretary are already being served, or because supporting funding is not available, will receive the following services:

(a) Be assisted in the person's current setting by any means the CDDO can provide within existing resources in order to avoid as much as possible a crisis from developing until services can be arranged to be provided by the CDDO or an affiliate;

(b) be referred to other community agencies that may be able to provide any type of support or assistance appropriate to the needs of that person until services can be arranged to be provided by the CDDO or an affiliate;

(c) be reported to the secretary as waiting to access services in accordance with the division's policy governing service access lists; and

(d) be contacted at least annually from the initial application date to determine the continued need for services.
