Article 12.—Swine, Specific Pathogen Free Regulations

9-12-9. Accreditation status.

The status of SPF swine herd accreditation or reaccreditation shall be determined by the livestock sanitary commissioner of Kansas or his authorized representative. In instances of problems, a committee made up of one state veterinarian, one extension veterinarian, and one veterinarian from the Kansas state university diagnostic laboratory, shall determine favorably the health of the swine herd for accreditation. A copy of the committee determination and recommendation shall be submitted to the livestock sanitary commissioner of Kansas and to the national association. The livestock sanitary commissioner shall then rule on the accreditation status of the herd.
