Kansas Department of Agriculture—Division of Conservation

Article 7.—Non-Point Source Pollution Control Fund

11-7-3. Project work plan.

(a) The conservation district shall coordinate the development and submission of a project work plan to request funds for a new or significantly modified existing project work plan to implement all or part of an approved management plan, or to report the implementation of a non-point source pollution control project that does not require additional state assistance.

(b) The project work plan submitted to the commission shall include the following:

- (1) A description of the water quality problem;
- (2) a description of the project area;
- (3) a priority designation;
- (4) the goals and objectives of the project;
- (5) evaluation procedures;
- (6) schedules and milestones;
- (7) a budget; and
- (8) a list of all participating organizations.

(c) Approval of a project work plan requesting state funds shall include the following:

- (1) An implementation schedule;
- (2) local initiatives;
- (3) utilization of existing state and federal programs; and
- (4) administration of the project to assure successful completion and consistency with the approved and amended local non-point source pollution management plan.

(d) Approved project work plans requesting funding from the non-point source pollution control fund shall be considered by the commission, if funds are available.

(e) Financial requests for new and existing project work plans shall be submitted to the commission using forms prescribed by the commission.

(f) Project work plans shall address at least one of the following water resources included in the state non-point source pollution management plan and assessment report:

- (1) Critical or targeted water resources;
- (2) exceptional value water resources; or
- (3) vulnerable water resources.

(Authorized by and implementing K.S.A. 1998 Supp. 2-1915; effective May 21, 1990; amended Dec. 27, 1999.)
