### **Article 51.—Home Health Agency Licensure**

#### **28-51-107. Social services.**

(a) Social services offered by a licensee's employees or under a contractual arrangement with the licensee shall be provided by a social worker according to the patient's plan of care.

(b) The social worker shall participate in the development of the patient's plan of care.

(Authorized by K.S.A. 65-5109; implementing K.S.A. 65-5104; effective, T-86-23, July 1, 1985; effective May 1, 1986; amended May 20, 2022.)
