Department of Health and Environment

Article 4.—Maternal and Child Health—Birth Centers

28-4-1302. Application procedures.

(a) Each person, in order to obtain a license, shall submit a complete application on the form provided by the department. The application shall be submitted at least 90 calendar days before the planned opening date of the birth center and shall include all of the following:

(1) A detailed description of the services to be provided;

(2) a detailed floor plan and site plan for the premises to be licensed; and

(3) the nonrefundable license fee specified in K.A.R. 28-4-92.

(b) At the time of the initial inspection, each applicant shall have the following information on file:

(1) Written verification from the applicable local authorities showing that the premises are in compliance with all local codes and ordinances, including all building, fire, and zoning requirements;

(2) written verification from the state fire marshal showing that the premises are in compliance with all applicable fire codes and regulations;

(3) written verification from local or state authorities showing that the private water supply and sewerage systems conform to all state and local laws; and

(4) documentation of the specific arrangements that have been made for the removal of biomedical waste and human tissue from the premises.

(c) The granting of a license to any applicant may be refused by the secretary if the applicant is not in compliance with the requirements of the following:

(1) K.S.A. 65-504 through 65-508, and amendments thereto;

(2) K.S.A. 65-512 and 65-513, and amendments thereto;

(3) K.S.A. 65-531, and amendments thereto; and

(4) all regulations governing birth centers.

(Authorized by K.S.A. 65-508; implementing K.S.A. 65-501, 65-504, 65-505, and 65-508; effective July 9, 2010.)
