Nothing in this subsection shall be construed to prohibit a notary public from using multiple stamping devices. When replacing a stamping device that has been lost or stolen, the notary public shall use a different style of official stamp to ensure that the new official stamp looks different from the prior official stamp.

(b) In addition to the requirements of state law, each notary public's official stamp for a tangible record shall provide a space for the notary public to record the notary public's commission expiration date.
