Kansas Department of Agriculture—Division of Conservation

Article 13.—Kansas Sediment and Nutrient Reduction Initiative

11-13-4. Haying and grazing.

(a) Any eligible initiative applicant shall be allowed to hay or graze a filter strip without penalty after development of a grazing management plan developed in cooperation with the USDA-NRCS.

(b) Any eligible initiative applicant that is authorized to hay or graze, or both, pursuant to an existing CRP contract may conduct these activities upon initiative-eligible land without penalty.

(Authorized by K.S.A. 2-1915; implementing K.S.A. 2-1915 and 2-1933; effective June 1, 2018; amended March 27, 2026.)
