Kansas Department of Agriculture—Division of Conservation

Article 12.—Water Right Transition Assistance Pilot Project Program

11-12-5. Transition to dry land.

(a) If land that will no longer be irrigated is to be planted, under this program, to permanent vegetation including warm or cool season grasses, the chief engineer may be requested by the division to condition the dismissal of the associated water right to allow limited irrigation of the land for up to three years to establish this cover.

(b) The applicant shall submit a dry land transition plan to the division if land is to be planted to warm or cool season grasses or other permanent vegetation. A dry land transition plan may be disapproved by the executive director of the division and modifications to any dry land transition plan may be required by the executive director of the division if the plan does not meet the requirements for soil erosion prevention practices in section IV of the "Kansas field office technical guide" as adopted by reference in K.A.R. 11-7-14.

(Authorized by and implementing K.S.A. 2012 Supp. 2-1930 and 2-1930a; effective Aug. 3, 2007; amended May 31, 2013.)
