Article 18.—Utilization of Unused Medications

68-18-3. Recall of unused medications.

(a) If an unused medication is recalled and the qualifying center or clinic does not have the lot number on the label to differentiate between the recalled medications and the nonrecalled medications, all of the unused medications shall be destroyed.

(b) If a donating entity has transferred an unused medication to a qualifying center or clinic, the medication is subsequently recalled, and the donating entity has been notified of the recall, the donating entity shall be responsible for notifying the qualifying center or clinic of the recall.

(c) Each qualifying center or clinic in possession of any unused medication that is expired, adulterated, or recalled shall make a manifest for and destroy that medication.

(d) Following the destruction of any unused medications, the manifest shall be signed by the consulting pharmacist and a witness to verify the destruction. Each drug destruction manifest shall be maintained for at least five years.

(Authorized by and implementing L. 2008, ch. 9, §7; effective Jan. 2, 2009.)
