Kansas Department of Insurance

Article 3.—Fire and Casualty Insurance

40-3-18. Fire and casualty insurance; private passenger automobiles; rating information.

Each company writing insurance on private passenger automobiles in Kansas shall include, in all filings submitted to this department, procedures that meet the following conditions:

(a) Obtain from the insured information necessary to permit the company to rate the risk in accordance with applicable filings; and

(b) advise the insured of the proper classification in accordance with the company's applicable rate filings approved by the commissioner.

(Authorized by K.S.A. 40-103 and 40-961; implementing K.S.A. 40-216 and 40-955; effective Jan. 1, 1966; amended May 1, 1979; amended May 1, 1986; amended Sept. 16, 2005.)
