

Kansas Administrative Regulations

State Fire Marshal

Article 7.—Flammable And Combustible Liquids

22-7-9. Flammable and combustible liquid transfer responsibility.

Each individual conducting the transfer of flammable or combustible liquids from a transport vehicle to a storage tank governed by the Kansas Fire Protection Code shall verify the available capacity of the tank prior to starting any transfer operations, be in attendance during such operations and take the necessary steps to insure that overfilling does not occur.

Editor's Note:

This article was formerly entitled, "Bulk Oil and Service Stations; Flammable Liquids." Regulations formerly appearing hereunder were revoked.

(Authorized by and implementing K.S.A. 1991 Supp. 31-133; effective May 10, 1993.)
