

Kansas Administrative Regulations

Kansas Department of Agriculture—Division of Animal Health

Article 18.—Animal Facility Inspection Program—License and Registration Fees

9-18-7. Records.

(a) Each licensee shall maintain records for each animal purchased, acquired, held, transported, sold, or disposed of in any other manner.

(1) Each cat or dog of weaning age and older shall be individually identified. The records shall include the following:

(A) The name and address of the person from whom each animal was acquired;

(B) the date each animal was acquired; and

(C) a description of each animal, including the following:

(i) The animal's age, size, color markings, sex, species, and breed;

(ii) any available information regarding vaccinations;

(iii) any other significant identification for each animal, including any official tag number, microchip, or tattoo; and

(iv) the name and address of the person to whom any animal is sold, given, bartered, or otherwise delivered or euthanized, and the date on which the action took place. The record shall show the method of disposition.

(2) The records of animals other than cats and dogs shall be kept so that the origins of lots can be identified. Animals from multiple origins may be comingled if records indicate all of the origins of a lot. The records shall include the date the lots were acquired, from whom the lots were acquired, general identification information, and disposition information.

(b) Each licensee shall store records for the current license year and previous two license years on the premises where the animals are located and shall make the records available for inspection.

(Authorized by and implementing K.S.A. 47-1712; effective Nov. 17, 2017.)
