Kansas Department of Agriculture—Division of Water Resources

Article 50.—Water Transfers

5-50-4. Emergency use.

When a temporary emergency transfer of water has been approved, the chief engineer shall: (a) Require the applicant to compile and submit records, as necessary, regarding the daily rate and quantity of water transferred and any other information pertinent to the continued need for emergency transfer; and

(b) require the person requesting the transfer to consider alternate sources of water so the continued transfer will not be necessary.

(Authorized by K.S.A. 82a-1506; implementing K.S.A. 1995 Supp. 82a-1502; effective May 1, 1984; amended Dec. 27, 1996.)
