## **Department of Health and Environment**

### **Article 46.—Underground Injection Control Regulations**

#### **28-46-43. Analyses to be performed by laboratory certified by the secretary.**

If a sample analysis is required by the secretary for the purposes of any permit or application for a permit under these regulations, the analysis shall be performed by a laboratory which has been certified and approved by the secretary for conducting such sample analysis.

(Authorized by and implementing K.S.A. 65-171d; effective March 21, 1994.)
