Department of Administration

Article 37.—Standards for the Submission of Data

1-37-2. Same; standards.

Submission standards are used to specify the format and content allowable for data submitted for processing and represent the minimum requirements that must be met before an application can be accepted for processing within any DCS facility. The minimum standards apply to data and material submitted either physically or electronically.

(Authorized by K.S.A. 75-3706 and 75-4703; effective, E-74-4, Nov. 2, 1973; effective May 1, 1975; amended May 1, 1978.)
