Kansas Department of Agriculture— Division of Animal Health

Article 3.—Swine Brucellosis and Cervids

9-3-8. Records.

Each holder of a domesticated cervid permit shall submit as part of their annual cervid permit application, the species of cervids on the premises and the total number for each one of the species.

Each holder of a domesticated cervid permit shall maintain records for each domesticated cervid purchased, acquired, held, transported, sold, or disposed of in any other manner. Each cervid, regardless of age, that enters a herd or leaves a herd for any purpose shall have official identification before change of ownership or prior to movement from the premises. The records shall be held for at least five years after the animal dies or leaves the premises and shall include the following information:

(a)(1) The name and either the residential or business address of the person from whom each domesticated cervid was acquired; and

(2) the geographic location from which each domesticated cervid was acquired, if this location is different from the residential or business address in paragraph (a)(1);

(b) the date each domesticated cervid was acquired or, if born on the premises, the year of birth of the domesticated cervid;

(c) a description of each domesticated cervid, including the following characteristics:

(1) The species or breed;

(2) the age;

(3) all official identification numbers;

(4) the sex; and

(5) any other significant identification for that animal, including any additional identification numbers associated with the animal.

(d) for cervids destined for Kansas facilities:

(1) The name, domesticated cervid permit number, and either the residential or business address of the person to whom any domesticated cervid is sold, given, or bartered or to whom the domesticated cervid is otherwise delivered;

(2) the geographic location to which the domesticated cervid is delivered, if this location is different from the residential or business address in paragraph (d)(1); and

(3) the date each domesticated cervid was moved; and

(e) if the domesticated cervid dies, is euthanized, or is slaughtered, the following additional information:

(1) The date of the death of the animal;

(2) the cause of death of the animal; and

(3) the method of disposition of the animal.

(f) For intrastate purposes, copies of DCMN submitted to the Kansas department of agriculture shall suffice to meet the information required in subsection (a), (b), (c), (d), and (e).

(Authorized by and implementing K.S.A. 2025 Supp. 47-2101; effective Sept. 19, 2014; amended Aug. 14, 2026.)
