Kansas Department of Agriculture

Article 25.—Grain Warehouse

4-25-8. Scale tickets; inbound form.

(a) All grain delivered by a depositor to any licensed public warehouse licensed pursuant to the act shall be weighed and graded as provided for in the act.

(b) Each scale ticket for grain deposited at a licensed public warehouse shall be plainly marked "inbound," shall be serially numbered, and shall contain, in a conspicuous location, the phrase "approved by the Kansas department of agriculture." Each ticket shall also include lines designated for the following:

- (1) The name of the licensee receiving the grain;
- (2) the date the grain was deposited;
- (3) the name of the depositor delivering the grain;
- (4) the gross weight of the grain deposited;
- (5) the tare weight of the grain deposited;
- (6) the net weight of the grain deposited and a designation of whether the driver was on or off the truck when the net weight was obtained;
- (7) the test weight of the grain deposited;
- (8) the price of the grain deposited;
- (9) the kind of grain deposited; and
- (10) the signature of the public warehouseman or a duly authorized agent of the public warehouseman.

(c) Any public warehouseman may include additional information on a scale ticket. However, inbound scale tickets shall be used only for grain received by the public warehouseman and shall not be used for custom weighing or for any other purpose that is not expressly permitted by the act.

(d) Each public warehouseman shall maintain a copy of all inbound scale tickets, including voided tickets, in numerical order and shall furnish a copy of any inbound

scale ticket to the secretary upon request. Copies of inbound scale tickets may be maintained in electronic form.

(Authorized by K.S.A. 34-102; implementing K.S.A. 34-102 and 34-233; effective March 8, 2002; amended Aug. 26, 2022.)
