

Kansas Administrative Regulations

Department of Health and Environment

Article 1.—Diseases

28-1-32. Health services at colleges and universities; submission of a TB prevention and control plan; monitoring of compliance.

(a) Each college designee and university designee shall submit to the department a TB prevention and control plan and any revisions that have been developed in consultation with the department, to ensure that the TB prevention and control plan includes evaluation criteria that are in compliance with the best practice standards as recommended by the division of tuberculosis elimination of the centers for disease control and prevention.

(b) Each postsecondary educational institution that provides health services and that performs infection or disease evaluations, or both, shall keep internal TB evaluation records for each high-risk student.

(c) Each postsecondary educational institution that does not have health services to perform infection or disease evaluations, or both, shall maintain the data on the form provided by the department for each individual considered to be a high-risk student.

(d) Each postsecondary educational institution shall be in compliance with this regulation within 12 months after the beginning of the academic year following the effective date of this regulation.

(Authorized by and implementing K.S.A. 2010 Supp. 65-129e and 65-129f; effective April 15, 2011.)
