Article 6.—Good Time Credits and Sentence Computation

44-6-128. Adjustments of previous awards of good time credits; scope of review and decision-making procedure; effect of noncompliance with procedure.

(a) The procedures specified in K.A.R. 44-6-129 through K.A.R. 44-6-132 shall be used by department of corrections staff to correct an error made in regard to an award of good time credits for a prior classification review or award period that will result in a decrease in the amount of good time credit previously awarded to the inmate or supervised offender.

(b) The scope of the review and decision-making procedures shall be confined to the good time credits associated with the review or award period or periods identified in the notice to the inmate or offender described in K.A.R. 44-6-129.

(c) A failure to follow any part of the procedure outlined in K.A.R. 44-6-129 through K.A.R. 44-6-132, including observance of deadlines, shall not be considered to constitute substantial error indicating that appropriate relief should be granted by the appellate review officer, unless the inmate or offender shows affirmatively that the error in question has actually interfered with the inmate or offender's rights to such a degree that justice has been denied to the inmate or offender.

(Authorized by and implementing K.S.A. 21-4722 and K.S.A. 2007 Supp. 75-5210; effective Aug. 8, 2008.)
