

Kansas Administrative Regulations

Kansas Department of Agriculture—Division of Animal Health

Article 5.—Garbage Feeding

9-5-3. Destruction of diseased swine: indemnity.

Swine that develop the disease of vesicular exanthema shall be slaughtered under directive of the livestock sanitary commissioner, or shall be otherwise disposed of under supervision of the federal agricultural research service (ARS) and processed in a manner determined and approved by such agency. Such animals shall be appraised, and indemnity shall be paid as provided by law, insofar as funds for the purpose are available. Swine fed uncooked garbage or uncooked slaughter house refuse shall not be eligible for indemnity payments. Any owner of swine who had failed to comply with any or all laws and regulations in regard to feeding cooked garbage, any person who has violated any quarantine or other regulation invoked to control and eradicate vesicular exanthema, shall not be eligible for indemnity payments.

(Authorized by K.S.A. 47-610 and 47-1304; effective Jan. 1, 1966.)
