Department of Health and Environment

Article 4.—Maternal and Child Health

28-4-430. Health practices; illness and abuse; general health requirements for staff.

(a) Medical record. A completed medical record on the form provided by the department shall be on file at the facility for each child.

(1) Each medical record shall include the results of a health assessment conducted not more than twelve months before and obtained not later than 60 calendar days after the child's initial enrollment in a child care facility. The assessment shall be conducted by a licensed physician, a physician assistant, or by a nurse approved to perform health assessments.

(2) Each medical record shall include a medical history obtained from the parent or legal guardian. Each applicant with a temporary permit and each licensee shall review with each child's parent or legal guardian that child's medical history at least once every 12 months.

(3) Children transferring from one child care facility to another shall not be required to obtain a new health assessment if the previous health assessment record is available.

(4) Tuberculosis testing shall be required only if the child comes in contact with a new active or reactivated case of tuberculosis. The results of the examination shall be maintained in the child's health record.

(5) Immunizations for each child in care shall be current as medically appropriate and shall be maintained current for protection from the diseases specified in K.A.R. 28-1-20(d). A record of each child's immunizations shall be obtained not later than 60 calendar days after the child's initial enrollment in a child care facility and shall be maintained on the child's medical record form.

(6) Exceptions to the requirements for immunizations shall be permitted as specified in K.S.A. 65-508, and amendments thereto. Documentation of each exception shall be maintained on file at the child care facility.

(7) Each licensee shall provide information to the parents of children in care about the benefits of annual, well-child health assessments for children under six years of age, and biennial health assessments for children six years of age and older. Each licensee shall also provide information about the importance of seeking medical advice when a child exhibits health problems. This information may be either given on a form provided by the department to the parent at the time the child is enrolled or posted in a conspicuous place, with copies of the form available to parents on request.

(b) Health practices. Children shall be allowed to go to the bathroom individually as needed.

(c) Illness and abuse.

(1) If a child is absent due to a communicable disease, staff shall inform all parents or legal guardians of the nature of the illness without disclosing the child's identity.

(2) Each staff member shall report within 24 hours to the Kansas department for children and families any suspected child abuse or neglect.

(3) Each applicant with a temporary permit or licensee providing care of sick children shall submit written plans regarding the needs of a sick child and the care of a sick child to the department. The plans shall be prepared in consultation with a public health nurse and shall be presented to the parents at the time of enrollment. The requirements for the infectious and contagious diseases specified in K.A.R. 28-1-2 and for the isolation and quarantine of individuals with the infectious and contagious diseases specified in K.A.R. 28-1-6 shall be met.

(4) A quiet area shall be provided for any sick child. Sick children shall be supervised at all times.

(d) Staff.

(1) The use of tobacco products shall be prohibited on the premises.

(2) Alcohol, as defined in K.S.A. 41-102, and amendments thereto, and non-prescribed controlled substances, as defined in K.S.A. 65-4101, and amendments thereto, shall not be consumed on the licensed premises during the hours of operation and shall not be consumed while children are present.

(3) Each child residing in the same location as that of a child care center or preschool shall meet the requirements specified in subsection (a).

(Authorized by and implementing K.S.A. 2025 Supp. 65-508; effective May 1, 1983; amended May 1, 1984; amended May 1, 1985; amended May 1, 1986; amended July 11, 2008; amended Aug. 2, 2024; amended Sept. 4, 2026.)
