

Kansas Administrative Regulations

Kansas Department of Revenue—Division of Alcoholic Beverage Control

Article 11.—Farm Wineries

14-11-6. Opened containers of domestic table wine or domestic fortified wine on the licensed premises.

The licensee of a farm winery or farm winery outlet that sells domestic table wine or domestic fortified wine at retail shall not permit the original package or container of any domestic table wine or domestic fortified wine to be opened on that portion of the licensed premises that is used for retail sales, except as needed for serving free samples.

(Authorized by K.S.A. 41-210; implementing 2009 Supp. 41-308a; effective May 1, 1984; amended Sept. 17, 2010.)
