Kansas Department of Revenue

Article 56.—Ignition Interlock Devices

92-56-8. Device removal.

Whenever a service provider removes a device, the following requirements shall apply:

(a) The only persons allowed to remove or observe the removal of the device shall be service providers or a manufacturer's representative associated with the manufacturer of that device.

(b) Adequate security measures shall be taken to ensure that unauthorized personnel cannot gain access to proprietary materials and to the files of drivers.

(c) Upon removal of the device, the service provider shall ensure that both of the following occur:

(1) The driver is provided with a report showing the removal of the device.

(2) The division is notified, in the form and format designated by the division.

(d) The service provider and the manufacturer shall restore the driver's vehicle to its original condition after removal of the device.

(Authorized by and implementing K.S.A. 8-1016; effective May 2, 2014.)
