Article 6.—Good Time Credits and Sentence Computation

44-6-132. Entry of adjustments of good time awards in relevant departmental database or databases.

(a) Unless the inmate or offender files an appeal according to K.A.R. 44-6-131, the decision by the hearing officer either to uphold the proposed action or to modify the action to remove a greater or smaller amount of previously awarded good time credit shall be implemented by entering the adjusted good time award for the review or award periods affected in each relevant departmental database no earlier than four working days after the inmate or offender receives a copy of the decision.

(b) If an appeal is filed, any action to enter the adjusted good time award shall be suspended during the appeal. If the hearing officer's decision is either upheld or modified to order that a smaller amount of awarded good time credit be removed, the unit team manager or parole supervisor shall then make the necessary entries in the relevant departmental database or databases to cause a change in the release or sentence discharge date, or both.

(c) If an appeal is sustained, the good time awards in question shall remain unchanged. The release or sentence discharge date, or both, shall also remain unchanged.

(Authorized by and implementing K.S.A. 21-4722 and K.S.A. 2007 Supp. 75-5210; effective Aug. 8, 2008.)
