Article 13.—Pesticides

4-13-37. Renewal of pest control technician registration.

A pest control technician's registration may be renewed for a succeeding one-year period by paying the fees prescribed by law, completing the renewal application form provided by the secretary, and completing successfully six hours of classroom training in approved subjects during the effective period of the technician's registration. This training may be conducted by the pesticide business licensee, or in the alternative, the pest control technician may attend a training course approved by the secretary. The pesticide business licensee shall verify and maintain records to support the verification that each pest control technician it employs has satisfactorily completed the training required for renewal.

(Authorized by K.S.A. 2-2467a, as amended by L. 1987, Ch. 12, § 5; implementing L. 1987, Ch. 12, § 4; effective, T-88-46, Nov. 10, 1987; effective May 1, 1988.)
