Department of Health and Environment

Article 35.—Radiation

28-35-601. General provisions.

Except as otherwise specifically provided by the radon certification law, K.A.R. 28-35-601 through 28-35-608 shall apply to any person that provides radon services.

(a) Any initial or renewal application to conduct radon services may be denied by the department for any of the following reasons:

- (1) Any false statement in the application;
- (2) revocation of a prior radon services certification in Kansas or another state; or
- (3) violation of any of the requirements of K.A.R. 28-35-601 through 28-35-608 or the radon certification law.

(b) Any certification to conduct radon services may be suspended or revoked or may have requirements or restrictions added by the secretary for any of the following reasons:

- (1) Any condition revealed by an application, any statement of fact, or any report, record, or inspection that could result in the denial of any application; or
- (2) violation of or failure to observe any of the terms and conditions of the certification, any requirement of the radon certification law and K.A.R. 28-35-601 through 28-35-608, or any order of the secretary.

(c) Initial certification and renewal certification shall be valid for 24 months.

(d) Requirements or restrictions that are necessary to ensure compliance with the radon certification law may be specified by the secretary at the time of initial certification or renewal certification or in connection with any radon services inspection.

(e) Failure to comply with all requirements for certification within 60 days of submittal of an application for initial or renewal certification shall void the application.

(f) An exemption to any requirement of K.A.R. 28-35-601 through 28-35-608 may be granted by the secretary if both of the following conditions are met:

(1) A person certified to conduct radon services submits a written request, including justification for the exemption and any supporting data or documentation, to the secretary for review and consideration for approval.

(2) The secretary determines that the exemption is protective of public health, safety, and the environment.

(g) Each person certified under the radon certification law and these regulations shall submit the reports required by K.S.A. 48-16a10, and amendments thereto, and any additional relevant information requested by the department in a format specified by the department.

(h) All records required to be kept by each person certified under the radon certification law and these regulations shall be retained for at least three years.

(i) Each radon measurement technician, radon mitigation technician, radon measurement business, radon mitigation business, and radon measurement laboratory shall allow the department access at all reasonable times to that person's or that person's employer's facilities and files for inspection and examination of records of radon services to determine compliance with the radon certification law and K.A.R. 28-35-601 through 28-35-608.

(j) Upon request by the department, each person certified under K.A.R. 28-35-601 through 28-35-608 or the radon certification law shall submit a list of scheduled measurement or mitigation activities to the department within two business days of receipt of the request.

(Authorized by K.S.A. 2010 Supp. 48-16a03 and 48-16a04; implementing K.S.A. 2010 Supp 48-16a03 and 48-16a10; effective Feb. 3, 2012.)
