Kansas Department of Agriculture

Article 1.—Agricultural Chemicals

4-1-9. Registration.

(a) Pursuant to K.S.A. 2-2204 and amendments thereto, a product may be registered by one of the following: any manufacturer, authorized agent of the manufacturer, packer, seller, distributor, or shipper of that product.

(b) The registrant shall be responsible for the accuracy and completeness of all information submitted in connection with the application for registration of a product.

(c) Each registrant shall submit the product labeling to the secretary or designee when initially registering the product and whenever changing or modifying the labeling. When a registrant submits a product's labeling due to a change or modification in the labeling, the labeling shall be accompanied with a written statement that clearly and specifically describes the changes from the previous labeling and the proposed date of implementation of the new labeling. After the effective date of a change in labeling, the product shall be marketed only under the new labeling. Any registrant may request from the secretary or designee that a reasonable time be permitted to relabel or dispose of any products with the old labeling. After the initial registration of a product, any registrant may register that product no more than four consecutive years without the submission of the product label if there is no change to the product label.

(d) Claims or representations made for a product by the registrant or registrant's agent shall not differ from claims or representations made in connection with registration. These claims or representations shall include the following:

(1) Publications or advertising literature that accompanies the product or is distributed separately from the product;

(2) advertising by radio, television, internet sites, or other electronic media; and

(3) verbal and written communication.

(e) If the secretary requires additional information in support of the registration and the registrant believes that the requirement for additional data is unreasonable, the

registrant may request a conference with the secretary or designee to discuss the requirement and consider alternatives. Each request for a conference shall be made no later than 20 days after the date on which the request for additional data is sent to the registrant.

(f) Each registration shall be valid through the last day of the calendar year in which the product was registered, unless the registration has been canceled or suspended before that day.

(Authorized by K.S.A. 2010 Supp. 2-2205; implementing K.S.A. 2010 Supp. 2-2204; effective Jan. 1, 1966; amended May 1, 1982; amended June 10, 2011.)
