Article 31.—Hazardous Waste Management Standards and Regulations

28-31-4. EPA identification numbers; notification requirement for hazardous waste, universal waste, and used oil activities.

Each reference in this regulation to a federal regulation shall mean that federal regulation as adopted by reference in K.A.R. 28-31-124 through 28-31-279.

(a) Each person who is required to obtain an EPA identification number by 40 CFR part 124 or 40 CFR parts 260 through 279 and each Kansas small quantity generator shall notify the department of their hazardous waste, universal waste, and used oil activities and shall obtain an EPA identification number by submitting to the department KDHE form 8700-12 or another form approved by the secretary.

(b) Each person that is newly subject to these notification requirements due to promulgation of a statute or regulation shall notify the department of that person's hazardous waste, universal waste, and used oil activities within 60 days of the effective date of the statute or regulation, unless a different date is specified in that statute or regulation.

(c) Each person shall update the information associated with that person's EPA identification number if there is a change in the information. The person shall submit these changes to the department on KDHE form 8700-12 or another form approved by the secretary, no more than 60 days after the change occurs.
