

Kansas Administrative Regulations

Department of Health and Environment

Article 52.—Medical Care Facilities

28-52-3. Risk management committee.

(a) Each medical care facility shall designate one or more executive committees responsible for making and documenting standard-of-care determinations with respect to each incident report, pursuant to K.A.R. 28-52-2. The jurisdiction of each risk management committee shall be clearly delineated in the facility's risk management plan, as approved by the facility's governing body.

(b) The activities of each risk management committee shall be documented in its minutes at least quarterly, and this documentation shall demonstrate that the committee is exercising overall responsibility for standard-of-care determinations delegated by the committee to individual clinical reviewers and subordinate committees.

(Authorized by and implementing K.S.A. 65-4922; effective Feb. 27, 1998.)
