

Kansas Administrative Regulations

Kansas Bureau of Investigation

Article 21.—Kansas Bureau of Investigation DNA Databank

10-21-2. Purpose of DNA identification.

The DNA databank shall be utilized only for the following purposes:

- (a) For identifying investigative leads in criminal investigations;
- (b) for locating missing persons;
- (c) for identifying unknown human remains;
- (d) for a population statistic database, after personal identifiable information is removed; or

(e) for research, protocol development, and quality control, after personal identifiable information is removed.

(Authorized by and implementing K.S.A. 2001 Supp. 21-2511; effective Dec. 22, 1995; amended April 19, 2002.)
