Kansas Department of Agriculture—Division of Animal Health

Article 7.—Movement of Livestock Into or Through Kansas

9-7-5. Heifers for feeding and grazing.

Beef heifers, under test-eligible age, may be imported into Kansas for feeding and grazing, without a permit, if accompanied by an official health certificate. Heifers consigned to any location other than a licensed feed lot will be quarantined upon arrival and shall be held for feeding purposes only. A permit for import movement may be required when a specific disease condition exists.
