

Kansas Administrative Regulations

Kansas Department for Children and Families

Article 26.—State Psychiatric Hospitals; Catchment Areas; Assistance to Counties; Patient Funds; and Medical Information

30-26-11. Definition of medical information.

The term medical information as used in this regulation shall be considered to include but not limited to the following:

- (1) Discharge summaries.
- (2) Laboratory reports.
- (3) X-ray reports.
- (4) Diagnostic reports.
- (5) Physical, psychiatric or psychological reports or general medical reports.
- (6) Social histories.

(Authorized by K.S.A. 1973 Supp. 76-12a10; effective Jan. 1, 1974.)
