

Kansas Administrative Regulations

Kansas Department of Agriculture

Article 8.—Noxious Weeds

4-8-45. Official control plans.

(a) Each official control plan adopted by the secretary shall be based on the most current available science and shall include, if applicable, biological, chemical, cultural, and mechanical methods of control.

(b) A control method adopted by the secretary as part of an official control plan that includes more than one control method shall not be used alone for the control of noxious weeds, except that any chemical control method may be used alone and any county, city, township, or district weed supervisor may, at the county, city, township, or district weed supervisor's discretion, use any integrated weed management technique alone for the control of any perennial noxious weed.

(c) The control of each noxious weed species shall be undertaken in accordance with the official control plan adopted by the secretary for that noxious weed species.

(Authorized by and implementing K.S.A. 2019 Supp. 2-1315; effective March 26, 2021.)
