

Kansas Administrative Regulations

Kansas Department for Children and Families

Article 45.—Youth Services

30-45-2. Adoption—medical history of child.

The medical history of the child filed with the adoption petition shall include the following information and facts about the child's birth and health history: (a) The date, time, place of the birth of the child and the name of the attending physician;

(b) whether the child was full-term or premature;

(c) the child's weight and length at birth;

(d) type of delivery;

(e) whether there were any complications during pregnancy or at birth;

(f) a history of any childhood diseases;

(g) a history of immunizations and tests;

(h) a history of any significant illnesses or hospitalizations since birth;

(i) a history of any chronic health problems, diseases or disabilities affecting the child;

(j) the date of birth and sex of any of the child's siblings, if known; and

(k) a record of the child's developmental milestones.

(Authorized by and implementing K.S.A. 1985 Supp. 59-2278a; effective, T-86-30, Sept. 24, 1985; effective May 1, 1986.)
