

Kansas Administrative Regulations

Department of Health and Environment

Article 17.—Division of Vital Statistics

28-17-15. State registrar to prescribe forms.

All paper or electronic forms used in registering, recording, and preserving the records shall be prescribed by the department. Each local registration officer shall accept and use only forms prescribed by the state registrar and shall issue out-of-state transit permits only when the proper forms are used and completed.

(Authorized by K.S.A. 65-2402; implementing K.S.A. 65-2415; effective Jan. 1, 1966; amended May 1, 1986; amended Oct. 22, 1990; amended, T-28-4-25-00, April 25, 2000; amended Aug. 4, 2000.)
