Kansas Corporation Commission

Article 4.—Motor Carriers of Persons and Property—Common Carrier Tariffs

82-4-54. Tariff publication to become effective on less than 30-day notice.

(a) Departure from the commission's requirement in K.A.R. 82-4-53(b) that tariff publications become effective on 30-day notice may be permitted by the commission, if good and sufficient cause is shown to convince the commission that publication should be made on short notice.

(b) The applicant shall provide all related facts or circumstances that could aid the commission in determining if the request is justified. If permission to establish provisions on less than the required notice is sought, the applicant shall state why the proposed provisions could not have been established upon 30-day notice.

(c) Permission to allow a tariff to become effective on less than 30-day notice shall be granted in cases for which good cause is shown. The desire to meet tariff publications of a competing carrier that has been filed on 30-day notice or one-day notice may be considered a factor for permitting publication on short notice.
