

Kansas Administrative Regulations

Kansas Department of Agriculture—Division of Animal Health

Article 9.—Poultry and Hatching Eggs

9-9-3. Turkeys under four (4) months; other poultry under five (5) months; poultry hatching eggs.

Turkey poults under four (4) months of age, and other poultry under five (5) months of age, and poultry hatching eggs, may be brought, shipped, or imported into Kansas, without health certificates, if such poults and poultry and eggs originate in flocks, or are distributed from hatcheries or premises, (a) where the flock owner or hatchery owner is participating in the national turkey improvement plan and the national poultry improvement plan, whichever is applicable, or (b) where the flock owner or hatchery owner is operating under supervision of a disease control agency of the state of origin and has been and is classified as U.S. pullorum-typhoid clean. Waterfowl and waterfowl hatching eggs may be brought, shipped, or imported into Kansas, without meeting the above requirements, (a) if not consigned to, or if not delivered to, an approved national plan hatchery, or (b) if not consigned to, or if not delivered to, a hatchery handling domesticated fowl and hatching eggs.

(Authorized by K.S.A. 47-610; effective Jan. 1, 1966.)
