

Kansas Administrative Regulations

Department of Health and Environment

Article 72.—Residential Childhood Lead Poisoning Prevention Program

28-72-1d. Definitions.

In addition to the definitions in K.S.A. 65-1,201 and amendments thereto, each of the following terms shall have the meaning assigned in this regulation: (a) "Department" means the Kansas department of health and environment.

(b) "Deteriorated paint" means paint that is cracking, flaking, chipping, chalking, peeling, or otherwise separating from the substrate of a building component.

(c) "Discipline" means one of the specific types or categories of lead-based paint activities identified in the act and this article in which individuals may receive training from accredited courses and become certified by the secretary.

(d) "Distinct painting history" means the application history over time, as indicated by the visual appearance or a record of application, of paint or other surface coatings to a component or room.

(e) "Documented methodologies" means the methods or protocols used to sample for the presence of lead in paint, dust, and soil.

(Authorized by and implementing K.S.A. 65-1,202; effective April 9, 2010.)
