Kansas Department of Agriculture—Division of Conservation

Article 12.—Water Right Transition Assistance Pilot Project Program

11-12-6. Dismissal or permanent reduction of water right.

(a) Each water right or partial water right for which payment is received from the program shall be dismissed or permanently reduced by the chief engineer, and the priority of the water right or that portion of the water right shall have been forfeited.

(b) A copy of the WWC-5 form that has been filed with the Kansas department of health and environment as a result of the well plugging or well capping, the written verification of a domestic well retrofitting, or the written authorization for a well to be placed on inactive status shall be provided to the division before the grantee receives the first payment. The requirements specified in this subsection shall be temporarily waived if a conditional water right is approved by the chief engineer under a dry land transition plan.

(c) For wells approved to continue operating under a dry land transition plan, a copy of the WWC-5 form that has been filed with the Kansas department of health and environment as a result of the well plugging or well capping, the written verification of a domestic well retrofitting, or the written authorization for a well to be placed on inactive status shall be provided to the division within 60 calendar days of the last time that the permanent vegetation is irrigated.

(Authorized by and implementing K.S.A. 2012 Supp. 2-1930 and 2-1930a; effective Aug. 3, 2007; amended Sept. 26, 2008; amended May 31, 2013.)
